The game of football is unlike any other in its ability to aid in the development of our athletes into young men. Pride, loyalty, discipline, heart, mind, and confidence—traits intrinsic to football—are the keys to open all locks.

**“Life’s battles don’t always go to the stronger or faster man. But sooner or later the man who wins, is the man who thinks he can”.**

Since 1954, football has been absent from the Fabius-Pompey communities. It is our goal to see that football makes its return after a fifty-year absence.

## Who is the Foundation?

The Fabius-Pompey Football Foundation is a Not-For-Profit organization.

This Foundation is comprised of a group of very active and concerned parents and community members.

The purpose of the Foundation is to be an organization that contributes effort, time, and money to support a Fabius-Pompey School Football Program. Our only goal is to investigate, promote, and financially support the reinstatement of a football program in the Fabius-Pompey Schools, after a more than 50 year absence.

The Foundation operates under an established set of By-Laws, which prescribe how the organization conducts business. Open elections are held annually to elect Directors of the Foundation.
